If Not You, Who? How to Crack the Code of Employee Disengagement

In your time with Jill you'll discover...

- A new perspective on disengagement that will surprise you.
- How to engage senior leaders in your engagement journey.
- How putting people first catapults customer satisfaction.
- A proven four-step strategy you can apply immediately to re-engage employees (including Millennials).
- Clarity on next steps and inspiration to achieve your goals.

Why Does Engagement Matter?

Companies in the top tier of employee engagement have the highest levels of customer satisfaction, outperform their peers by 147% in earnings per share, and have a 90% better growth trend than their competition. However, 69% of U.S. employees are not engaged. What is this costing you?

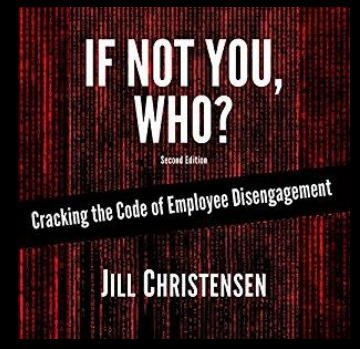

Meet Jill

A former Fortune 500 business executive, Jill's career spans 16 industries and 30 years, where she led global Internal Communications at Avaya and Western Union. Jill has helped thousands of leaders in organizations large and small improve results by re-engaging employees. Jill holds a Six Sigma Green Belt, is rated among the top speakers at events she attends, and is a *Top 100 Global Employee Engagement Influencer*.
